Tasha cobbs leonard in spite of me lyrics.

I don't cross every T I don't dot every I I've got more flaws than a little And I messed up a thousand times I don't always commit Sometimes I give up way too quick And then I get tired of trying to run away From who I am to who I wanna be Some days are better than others I can be up then I'm down But beyond my mistakes I'm found in Your grace And this one thing will never change You still love me in spite of me You still chose me how can it be Every scar every flaw You see it all You see it all You still love me love me In spite of me I'm stubborn at heart I'm quick to put up a guard I do it all by myself I won't ask for help And sometimes my mouth is smart I can be insecure Counting other people's blessings And never stop to notice what I got Let me hear you say yeah (yeah) Can I get a witness You didn't give me what I deserve Love so relentless Got me singing hallelujah It's hard to believe You have a choice And daily You choose me Never gave up on me Never gave up on Never gave up on me Paroles2Chansons dispose d'un accord de licence de paroles de chansons avec la Société des Éditeurs et Auteurs de Musique (SEAM) More by Tasha Cobbs Leonard Advertisement American gospel music minister and songwriter, Tasha Cobbs Leonard releases her new single "In Spite of Me" featuring Ciara, Grammy award-winning singer-songwriter.
